It is very easy to get almost all items in this game. To get a HAPPY HOBBY, press Menu and then [Special Controls] and then [Quick Control]. Press [Start] to get into the game. Apr 16, 2019 The PC version has 6 possible Little Houses. Each does different things with the character and it's what allows you to find your soulmate (your character's opposite gender.) Also, here is a cheat code (P1 up) to get a Fairy Heart. This particular cheat code is safe and I didn't get caught. Requirements: Harvest Moon PC 2.0 or higher. There should be an option for [Options] -> [Video] -> [Store Mode] -> [No Enchants]. You must set [Store Mode] to [Allow]. Oct 5, 2018 .data is the start of the fast heap. You can see what your fast heap is by typing "Ts: _HEAP_" (Ts: means Free Store). Here are some codes for the fast heap to let you trade a faster code for a slower code. There is a trade rate for this as well. If you want something for free, you have to enter "?????". There is a trade code for the slow heap too. NOTE: if you enter "?????" for the fast heap, and "???????" for the slow heap, your bag won't be emptied. Let me know if this answers any questions.
