Euro Truck Simulator 2 is a three dimensional driving simulation game in which players play the role of a truck driver who must travel to various cities, delivering parcels and other packages.Q: react native defaultValue equivalent I've looked into a few posts on here and none of the solutions have worked. I have a react-native component that when it gets initialized, will pass an object from the reducer. When it passes this object, I want to set the state with the defaultValue field of the form. Here is my current code: import React, { Component } from 'react'; import { render } from 'react-dom'; import { Provider } from 'react-redux'; import { connect } from 'react-redux'; import Router from './Routes'; import { Paths, RouterContext } from '../react-router-dom'; import * as config from '../config.json'; class Login extends Component { constructor(props) { super(props); this.state = { email: '', password: '', rememberMe: '', loading: true, } this.handleEmail = this.handleEmail.bind(this); this. 1cb139a0ed
