The Forsaken Jungle’s Trial **IV. World Missions**

Elden Ring Features Key:

An expansion for the original Gransys Saga 2 game. Gransys Saga 3 is a fantasy adventure game developed by Cygames that leads the users into an adventure of death in the kingdom of the “Melchior” world. You can enjoy a single-player character building system, increasing your strength, developing your character to conquer the adventure, and fighting against other “Melchior” and “Granary” characters using only your sword or magic. ※ This game is a separate game from the original Gransys Saga 2 game, and both the base game and the above contents can be played separately. Possibility to make your own course. In Gransys Saga 2, there was a game where you can freely create your own course. As you progress through the game, you can create new dungeons, and let the courses be different from the previous ones.

Utilize your Muscles. As you play the game, you can develop your character and the skills that you acquire will increase. The new character that you have developed will become stronger and stronger, and you can enjoy the really enjoyable gameplay that will let you feel like you are truly fighting a combat in the Lands Between.

※ The Medal of Honor recipient in the original Gransys Saga 2 game Dr. Ebbawill appear as a playable character in the game. **Please be careful!**

- Be careful of “Overgrowth,” which turns the remaining balance of life to sand. Be careful of “Overgrowth,” which turns the remaining balance of life to sand.
- Respect the Life of Others. When Overgrowth occurs, one person among the surrounding “Melchior” and “Granary” characters shall perish. You are faced with the decision whether to stop the Overgrowth or to step on the life of the surrounding characters. Will you take the easy course?

Tips for new users:

- Please play the original Gransys Saga 2 before playing the game.
